

Tyler A&M Mothers' Club General Meeting

October 17, 2024

The general meeting was held at True Vine Brewing Company at 6:30 p.m. This was a **give-back fundraiser** where True Vine will give back to the Aggie Moms \$1 for every wine and beer sold between 4 p.m. to close. Sola Bread will also give the Aggie Moms a percentage of the sale if the customer mentions Aggie Moms when they order. Foster was not able to be open during the meeting due to an emergency.

There were lots of Aggie Moms, Aggie Dads, and Aggie friends present.

Luba Pitonakova handed out the T-Shirts and sweatshirts that were purchased during our recent fundraiser.

At 6:35 p.m., Treva Tew, President, welcomed everyone and thanked them for coming. All of the proceeds from tonight's fundraiser go to scholarships.

The **minutes** from the general meeting held September 19th were previously emailed to the membership. Margaret Rapp made a **motion to approve** the minutes. The motion was seconded by Karyn Ard. With no corrections, the minutes stand approved as distributed.

The **Treasurer's Report** was also emailed to the membership before the meeting. Susan LeJeune made a **motion to approve** the Treasurer's Report as presented. The motion was seconded by Margaret Rapp.

We have met the minimum number of items for our **Butter Braids fundraiser** so that order will be placed soon.

The **T-Shirt Quilt** was on display for the current **raffle**. Tickets were for sale at \$2 each or six for \$10. This raffle also includes a dual prize of a \$125 gift card to the Warehouse at C.C. Creations. The winners will be drawn in December at the Christmas Party.

Orders are still being taken for this fall's **Goody Bag** backpack. The cost is \$30, and the deadline is November 15th or until they sell out since there is a limit of 100. The stuffing party will be November 21st at our meeting.

Our **next meeting** is November 21st. That night we will stuff the Goody Bags and have some fun. We might have a potluck, and we hope that the Butter Braid delivery will also be that day.

The business meeting finished at 6:40 p.m. and attendees continued to eat, drink and socialize. (Minutes by Jessica Knowles, Recording Secretary)
